**The Board would like to remind everyone in attendance that public comment is for members of the public to give input on public matters, not personal issues. To avoid violations of privacy, a member of the public wishing to address the Board will NOT be allowed to make comments about any staff member or member of the public during his/her designated time to speak. In order to maintain order and to allow everyone the opportunity to speak, the chair may choose to limit an individual's time. By law, the district cannot take any action on matters that come up during public comment.*
