

TOWN OF DRUMMOND  
NOTICE: INVITATION TO BID  
DRUMMOND WASTEWATER TREATMENT FACILITY

**NOTICE: INVITATION TO BID**  
**DRUMMOND WASTEWATER TREATMENT FACILITY**

Separate sealed bids for construction of the Drummond Wastewater Treatment Facility Improvements project will be received by the Town of Drummond, at Drummond Town Hall, 114 "A" Street, Drummond, MT 59832 until **1:00 PM local time Thursday, May 22, 2025**, then publicly opened and read aloud. Late Bids will not be accepted.

This work includes the removal and land application of approximately 8,000 cubic yards of sludge, construction of new interior berms separating the lagoon into 3 cells, construction of bypass piping, control structures, diversion manhole and influent splitter box within the lagoon cells, and the construction of an impermeable synthetic liner in each cell. A CMU structure housing a UV disinfection system and lift station metering vault is included as an additive alternate.

The project manual for use in preparing bids may be obtained digitally at [www.questcdn.com](http://www.questcdn.com). Interested parties may download the digital copy of the bid documents for \$50 by inputting the Quest Project #9529264 on the website's project search page. Please contact QuestCDN.com at (952)233-1632 or [info@questcdn.com](mailto:info@questcdn.com) for assistance in membership registration, downloading, and working with the digital project information. Bidders must purchase bid documents from QuestCDN; and must be shown on the plan holder's list to be considered a responsive bidder. Questions relative to this project should be direct to Mitch West at (406) 980-1014 or [mwest@tripletreemt.com](mailto:mwest@tripletreemt.com).

There will be a Pre-Bid Conference at Drummond Town Hall, 114 A Street, Drummond, MT 59832 at **2:00 PM local time on May 12, 2025**, to discuss the project. Interested contractors are encouraged to attend.
